Map

EXPLORATION in ARNHEIMS LAND
NORTHERN TERRITORY

by

DAVID LINDSAY SURVEYOR

1883

SCALE

Drawn by F. Kennedy January 1884

NOTE — Rivers and Creeks from existing Maps ... Shown thus, on Island ...
If do from my explorations ... on Island ...
Coast line from Charts ... on Island ...
If from my calculations ... on Island ...
Owing to the incompleteness of the Coast survey I was unable to get many reliable check bases my positions, in have adopted as correct my own positions of the different parts of the Coast touched on.
My track ... Shown thus, ...
Leichhardt's track same where I crossed it ... on Island ...
"The Rutherford" River between "The Roste" and "The Ronnie," miles 184
Creeks and adjacent hills as shown on rout taken from "A" 1 Telegraph Stat" are from 1 to 5 Miles further to the Westward

Edward J. Lindsay.
